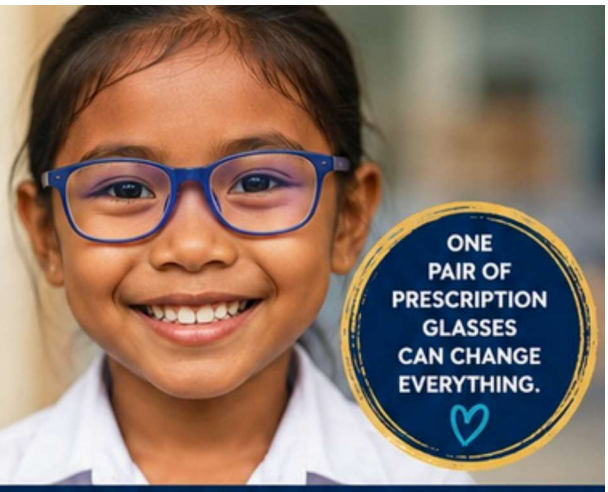
Give $20 ♡ CHANGE A LIFE

Literacy begins with the ability to see.



Join Altrusans in supporting **GLOBAL VISION 2020**

Empowering communities. Improving vision. Advancing literacy.

Two-thirds of the world lack access to corrective eyewear, creating a barrier to education, employment, and everyday life.

Global Vision 2020 (GV2020) empowers teachers and healthcare workers to manufacture and distribute prescription glasses for under $6 per pair in underserved and remote communities.

HOW IT WORKS

USee Kit
A patented visual diagnostic tool developed at Oxford University that allows minimally trained individuals to quickly find a person's prescription in the field.

Rapid Assembly
Portable eyeglass assembly kits that let workers build and fit prescription glasses on the spot.

Better vision. Better learning. Brighter futures. ♡

TAKE THE $20 FOR CLEAR VISION CHALLENGE!

Make a one-time donation of $20 and be part of the change.

OUR FIRST GOAL
20 Altrusans x $20 = $400
Just twenty members can make an immediate impact!

OUR BIGGER IMPACT
200 Altrusans x $20 = $4,000
With nearly 700 Altrusans, imagine the difference we can make together!

Every $20 Makes a Difference!

When we come together, we help remove the barriers to literacy and build opportunities that last a lifetime.

GIVE $20 TODAY.
Help the world see a brighter future—one pair of glasses, one reader, one life at a time.

Seeing a brighter future.

Removing barriers to literacy.

See Better. Read Better. Learn Better.

CLEAR VISION + LITERACY = BRIGHTER FUTURES

TOGETHER, WE CAN REMOVE BARRIERS TO LITERACY BY SUPPORTING BETTER VISION.

8 PARTNERSHIP PROJECT IDEAS

1 VISION & LITERACY DAY

- Provide free vision screenings.
- Distribute age-appropriate books.
- Share tips on the importance of reading.
- Provide referrals for follow-up eye care.

THEME: See Better. Read Better. Learn Better.

2 BOOKS + GLASSES = SUCCESS

- For every child identified as needing glasses, provide a backpack filled with books.
- Include reading logs, bookmarks, and literacy activities.
- Celebrate with a "New Glasses, New Adventures" reading celebration.

3 LITTLE FREE LIBRARIES WITH VISION RESOURCES

- Stock with children's books and reading tip sheets.
- Include information about local vision screening opportunities.
- Add QR codes to vision resources.

4 SCHOOL READING READINESS PROJECT

- Provide vision screenings at elementary schools.
- Donate books.
- Educate parents on signs of vision problems that affect reading.

Many children are misunderstood when they simply can't see the words clearly.

5 READING BUDDY PROGRAM

- Volunteer together at elementary schools, libraries, and after-school programs.
- Promote vision awareness and the joy of reading.
- Build confidence, one reader at a time.

6 EYEGLASS COLLECTION + BOOK DRIVE

- Collect used eyeglasses for recycling.
- Collect new or gently used children's books.
- Promote with the message: *"Donate What Helps Someone See... and What Helps Someone Dream."*

7 CLEAR VISION, BRIGHT FUTURES FAIR

- Offer vision screenings, books, story time, reading games, and more!
- Invite schools, libraries, health providers, and community partners.
- Fun for the whole family!

8 SUPPORT GLOBAL VISION 2020 TOGETHER

- Raise funds to support Global Vision 2020.
- Help provide affordable prescription glasses for people in need around the world.
- Join together for a *$20 for Clear Vision Challenge!*

SEE the words. READ the books. SUCCEED in life.

TOGETHER WE MAKE A DIFFERNNCE!
