

Altrusa International is celebrating 100 years of service to Texas communities in April 2023. You are invited to join our celebration!

Founded in April 1917, Altrusa International is the first, original, women's service organization in the nation. The first Altrusa club in the State of Texas was chartered five years later in April 1923.

Our Texas-size party will be held in Grapevine the weekend of April 21-23, 2023. Part of our celebration will be a centennial party, complete with a video, slides running throughout the weekend and celebration on the closing day ushering in the next 100 years of service. There will also be a "Century Book" showing the impact of 100 years of service to Texas communities. The book will include historical documents, international projects and information from each of our clubs highlighting the service they have given their communities since they were chartered.

You and your company are invited to show your support and appreciation for the service of your area Altrusa clubs by being a part of the celebration and Century Book. Below are several sponsorship levels ranging from a simple congratulatory message in the Century Book to advertisements in the Century Video, slide show, and social media.
